1. The online form may take an average of 5 minutes to fill in.  
The time taken varies depending on the number and sizes of the file attachments, configurations of your computer and network system, internet performance etc. Please note that the time stated above excludes time taken for preparatory work in relation to filling the online form (e.g. scanning documents for file attachments).
2. The applicant will require a Corppass\* or Singpass before he/she can login to PRISM to retrieve the application form. A person who drafts an application on behalf of his/her company and is not a Singaporean Citizen, Permanent Resident or Employment Pass holder can apply for a HSA PIN to login to PRISM. The Corppass\* / Singpass or HSA PIN login is necessary for authentication and authorisation purposes.

***\*Note:** From 11 April 2021, the login process for Corppass has been changed to verify the user's identity via Singpass first before accessing and transacting with government digital services. While Singpass is used for logins, Corppass will continue to be the authorisation system for access to government digital services.*

For more information on Corppass, please refer to <http://www.corppass.gov.sg/>

3. No payment fee is required for submitting withdrawal applications.
